The Context: The European Universities Initiative

“The European Universities initiative is an ambitious EU initiative aimed at establishing alliances between higher institutions from all across Europe, benefit of their students, staff and society” (Source: European Commission)

- Transnational alliances of higher education institutions.
- Currently, there are 50 alliances involving more than 430 higher education institutions.
- the political goal by mid 2024: 60 alliances; more than 500 institutions.
