

RESEARCH RELAY 2.0

600 VOICES, ONE VISION

Over 600 researchers from across YUFE universities shared their research interests through the YUFE Pilot Network Survey.

CHOOSE YOUR TOPIC & SHARE YOUR MOTIVATION

Help us shape interdisciplinary teams based on your interests. Select up to 3 topics from 9 exciting challenges and tell us why you want to participate in the Madrid Summer School.

TEAM FORMATION & ON-SITE SELECTION

We'll use your topic choices and survey responses to build international, interdisciplinary teams. Up to 80 applicants will join the online training, with up to 30 participants selected to experience the Madrid Summer School.

February 10th

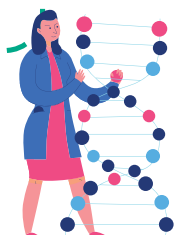

MEET YOUR TEAM & START THE JOURNEY

Join the team presentation session on February 10th to connect with your group and start your journey

Until June 2nd

FROM ONLINE TRAINING TO A REAL CONCEPT NOTE

Join our biweekly YUFE online sessions to learn, collaborate, and shape your Horizon Europe idea, then submit a short concept note in the final weeks to go for the prize.

June 22nd-26th

SUMMER SCHOOL IN MADRID

Selected researchers will gather in Madrid for an inspiring in-person event combining training, vibrant networking, and plenty of opportunities to connect, share, and celebrate together.

June 26th

WINNERS REVEALED
